

“ School Student Ambassador National Programme - 2026
on Child Protection for School Senior Prefects
National Child Protection Authority.

The “**School Student Ambassador National Programme**” is a programme organized by National Child Protection Authority which is specially created with the purpose of developing knowledge, skills & attitudes of senior school prefects on child protection. Here, the school prefects from grade 9 and above are considered as senior prefects. It is expected to implement a sustainable programme aimed at school prefects in order to create a child friendly & protective environment within the school.

Child friendly school is a school which actively fulfills each & every right of every child mentioned on the Universal Convention on the Rights of the Children (UNCRC). It is expected to get the active involvement of school prefects through “**School Student Ambassador National Programme**” to establish child friendly school concept in schools.

It is a prime concern to build a leader of a child protection who prioritize child protection, stand against child abuse, take actions to protect children in every possible occasion as future adults or professionals occupy in diverse sectors with the exposure they gain during young age as a Student Ambassador.

Objectives of this Programme :

1. Create awareness on the National Policy on Child Protection for School Prefects.
2. Get the contribution of school prefects to minimize & to prevent child abuse within schools.
3. Ensure the participation of school prefects for decision making process in Child protection.
4. Intervene to develop knowledge, skills & attitudes including leadership of prefects to create a child friendly & protective environment.
5. Contribute to build a responsible & accountable prefect community in child protection.
6. Get the contribution of School community (Children, Prefects, Teachers, School Administration, School Development Structures) to ensure child protection.
7. Create a school environment that offers greater opportunities to students who have demonstrated knowledge and gained practical exposure on Child Protection are given due consideration during the future selection of prefects.

The role of school prefects is crucial when implementing child protection practically. “**School Student Ambassador National Programme**” will prepare school prefects to take the leadership to stabilize child protection in schools with the support of prefect board. National Child Protection Authority wishes to make present Sri Lankan children sensitive on child protection & make them responsible citizens with leadership through this programme.

The schools those who wish to participate for this School Student Ambassador National Programme need to get the registration at National Child Protection Authority.
